A SERVICE BASED CULTURE

At the heart of all Rhenishers is a genuine desire to best serve their community - at school and in the broader community. This is a core value.

THE RHENISH HOCKEY BRAND

Rhenish Girls' High School has central to its brand a vision of excellence. This applies not only on the academic front, but on the hockey field too. Rhenish has long been a leading hockey school in the country and we aim to be up there with the best consistently.

However, to get there we need to start looking to keep up with trends in school hockey; we need to set a bench mark so we can grow the game and enhance the Rhenish Hockey culture. Both within the Western Cape and on a National level, we compete against public and private schools and, especially the private schools, have deep pockets from which to enhance and grow their hockey resources. To remain truly competitive, it is vital for us to partner with someone who will be able to share in our passion, our commitment and our vision for the next few years. We want this partner to help us reach our goals and add value to hockey at Rhenish.

This tournament draws players - and their parents - from across South Africa and further entrenches Rhenish Girls' High as a force among hockey schools for girls in South Africa.

Should you wish to partner with Rhenish Girls' High School and become a lead hockey sponsor, you will not only gain exposure as per the mentioned marketing and communications channels, but will also, as the lead sponsor, gain national exposure via the SuperSport Schools App as the official broadcaster of the tournament.

Rhenish Girls' High School is a Government School and, as such, your sponsorship can be claimed as a tax reduction and / or CSI spend.
